REFUND POLICY

WITHDRAWAL PROCEDURE

Withdrawal requests are processed by the Back office department of the Company on a first-come, first served basis. The processing time is within the next business day. The Company reserves the right to increase the processing time; in such case, the Company shall notify the Client within 1 to 2 business days via any contact method specified by the Client in their registration details.

The Client is eligible to submit a withdrawal request following the full verification of his/her account.

To withdraw funds from his/her account, the Client must submit a withdrawal request from his/her Client Portal. In order to fill in the withdrawal request properly, the Client must select one of the withdrawal methods shown in the list and specify all the necessary details.

The Client is fully responsible for the information he/she provides to the Company through the withdrawal request.

In case of withdrawal into cryptocurrency, the Client must ensure that he/she provides the Company with the correct receiving address. In case an address that corresponds to a third party is provided, the funds cannot be identified in the blockchain, and the Company will not be able to recover the loss of such funds. The Company is not liable for any further refund or remuneration.

After the Client submits a withdrawal request, such request will be assigned a "Requested" status. When the request is being processed, it has a "Pending" for approval status. After the "Pending" status is assigned, the requested funds will be debited from the Client's account balance and credited to the requested payment method account; on completion of the transaction the withdrawal request is then assigned a "Processed" status, confirming to the client that the withdrawal has been fully completed.

The Client has the right to withdraw funds only according to the payment method that was used to deposit funds to his/her account. In case where it is technically impossible to withdraw funds according to the payment method that was used to deposit funds, the payment method/s available shall be advised to the Client in order to proceed with the withdrawal.

The bank card takes precedence over all withdrawal methods provided to our clients. In case both bank card were used for deposit, the bank card should take precedence for withdrawal.

If the Client uses a bank card for making deposits, withdrawals shall be made to this bank card in the amounts not exceeding the amount deposited. Withdrawals to bank cards take priority over any other type of withdrawal methods.

The Company during the refund process has the right to request any additional information related to the request and the payment method. The Client understands and accepts that under such circumstances there may be a delay in processing the request.

In the event that the Client has withdrawn up to the deposited amount via bank Card, then he/she can withdraw any amount over and above by any other method they have already deposited with, if any; if for any reason the withdrawal method chosen by the Client is not applicable to our Terms & Conditions, the Company will contact the Client to explain the reason and instruct the Client accordingly to proceed with their withdrawal request.

If the bank card is expired/cancelled/re-placed/lost/stolen/does not support the foreign payment refunds, the Client must inform the Company prior to submitting a withdrawal request with an official letter from the Client's bank confirming the same, as all refunds are final and cannot be reverted.

The Company does not charge any fees for deposits or withdrawals. The fees are charged solely by the Payment Service Provider, Bank or Credit Card Company. The Company only covers the deposit charges on Deposits and a part of some fees for specific Payment Service Providers on withdrawals.

RIGHT TO CANCEL A WITHDRAWAL REQUEST

The Company has the right to cancel a Client's withdrawal request due to any of the following reasons:

If any of the KYC documents is expired or due to expire. The Company will be contacting the Client to request the updated documents, and the Client shall need to provide them within 3 (three) days, otherwise the withdrawal request will be cancelled, and the funds will be returned to the Client's wallet.

If the Client has not provided full or correct withdrawal information while submitting the withdrawal request. In such event, the Company will cancel the withdrawal request and will email the Client to inform that the reason for the cancellation is due to invalid or wrong information provided and he/she will be asked to resubmit the withdrawal request, making sure that the information provided is correct.

If the Client has selected an incorrect withdrawal method, the Company will contact the Client to inform that the reason for the cancellation is the selection of the incorrect withdrawal method and ask the Client to resubmit the withdrawal request by choosing the correct method.

TRANSACTION DISPUTES

In the event of a transaction dispute initiated against the Company, it will be referred to the relevant Payment Service Provider/Bank for investigation. The Company has the right to provide any documentation related to the Client that will be asked for by the Payment Service Provider/Bank in order to prove that all services have been provided to the Client.

The Company reserves the right to hold or deduct any disputed amount, until the

investigation has been fully resolved.

After a transaction dispute has been initiated against the Company, the Company has then the right to reject the Client by closing his/her account on a case by case basis.

ACKNOWLEDGMENTS

The Client acknowledges that he/she has read, understood and accepted the Refund Policy which can be amended from time to time, in addition to any other information and/or policy and/or agreement which will be available on the Company's website
